Benefits Plan

(Full plan details are available from the Corporate office)

Rates and coverage are subject to change yearly upon renewal.

401K Plan

A 401K plan offers the opportunity for co-workers who are eligible to set aside a percentage of earnings from their paycheck each pay period for retirement on a pre-tax basis. Money withheld is deposited into investments of the co-worker's own choosing, and investment gains come on a tax deferred basis.

Full-time and part-time co-workers are eligible to participate in the plan once they reach the age of 18 and have six months tenure with the company. Co-workers can enroll in the plan at the beginning of any calendar quarter after this date.

DigiCOPY matches 25% on each dollar contributed up to the first 4% of the co-worker's contributions.

Medical Insurance

Group coverage is available through United Healthcare. The plan has a \$2,850 embedded individual deductible and a \$5,700 family deductible for in-network services. To offset this amount, DigiCOPY will deposit \$50 per month for an individual plan or \$100 per month for a family plan into an individual Health Savings Account. In addition, you may also request to have an additional amount withheld pre-tax from your paycheck and deposited on your behalf.

After deductible, in-network services are covered at 100%. Co-pays under the plan include a \$350 Emergency Room co-pay, a \$100 Urgent Care co-pay, a \$30 Office Visit co-pay, and a \$60 co-pay for Specialist Visits. A prescription drug benefit is also part of this plan. Deduction amounts (per semi-monthly pay period) for medical are as follows:
